SUMMARY

I'm 20 and last year student of Computer Engineering at Government Engineering College in Modasa expecting to graduate in June 2019. As a Software Engineer, I enjoy bridging the gap between engineering and design — combining my technical knowledge with my thoughts and solve the real life problems. My goal is always to build software's that are scalable and efficient under the hood while providing engaging, pixel-perfect user experiences. When I'm not in front of a computer screen, I'm probably watching T.V. series, having a Talk-Walk with nature, learning to solve problems using dynamic algos, or crossing off another item on my bucket list.

EDUCATION

Bachelor of Engineering in Computer Engineering | Government Engineering College, Modasa.

2015 – 2019

The CPI score is 8.02 and CGPA is 8.5 [Till 5th Semester]

Overview Ref.: <http://gtu-info.com/Student-2013/150160107089/RATHI-DISHANT-SURESH>

Transcript Ref.: <http://gtu-info.com/Student-2013/150160107089/RATHI-DISHANT-SURESH/Transcript>

Higher Secondary - 12 Science | The Mother's School, Vadodara.

2013 – 2015

Overall Score was 70% in consideration of JEE. ACPC Rank: 18754

EXPERIENCE

Intern and Volunteer | Self Care Trust, Vadodara.

12/2017 – PRESENT

Site Developer & Volunteer in Awareness Campaigns.

Volunteer | Urban Health and Climate Centre, Surat.

24/1/2017 – PRESENT

Awareness Campaign on "Importance of M-Health in Diabetes Awareness" for Diabetic Patients

Training and Internship | 20 Microns Ltd., Vadodara.

2/12/2017 – 9/12/2017

Training on Computer System Management Software in R&D Department.

SKILLS

- Communication
- Ability to work under pressure
- Self Motivation
- Listening
- Leadership
- Adaptability
- Team Work

ACTIVITIES

Sr. No.	Activity Type Name	Description	Event Date
1	Technical Hackathon	Rajasthan Hackathon 4.0 held at Jaipur, Rajasthan. Team Project Title: EMOSS : E -Mitra One Stop Solution [Android Application Development].	18 March, 2018
2	Learning/Skill Development Python Programming	Completed the course Python Programming for beginners on Dec. 30, 2017 as taught by DoEdu IT Educations on Udemy. Ref.: https://www.udemy.com/certificate/UC-BM9JJVO7/	30 December, 2017
3	Technical/Research Training/Internship/Professional Certification	Training Session under Computer System Management Software Skill at 20 Microns.	2 December, 2017
4	Learning/Skill Development Python Programming	Completed the course Programming with Python: Hands-On Introduction for Beginners on Nov. 30, 2017 as taught by Febin George on Udemy. Ref.: https://www.udemy.com/certificate/UC-X9WSXCYU/	30 November, 2017
5	Learning/Skill Development Python Programming	Completed the course The Four Pillars of OOP in Python 3 for Beginners on Nov. 30, 2017 as taught by Febin George on Udemy. Ref.: https://www.udemy.com/certificate/UC-IOT36EJF/	30 November, 2017
6	Technical Workshop	National Level Workshop on Cyber Security and Ethical Hacking in Hemchandracharya North Gujarat University, Patan.	25 February, 2017
7	Innovation Grass Roots/Social Innovation	Conducted Session on "Importance of Studies" for Students of Class 9, 10, 11 in Madhyamik Shala, Bhanpur, Zalod.	13 December, 2016
8	Innovation Grass Roots/Social Innovation	Conducted Seminar on Importance of M-Health in Diabetes Awareness (How they can use the internet to Identify, Cure, Eradicate their Health Issues).	5 November, 2016
9	Research Student Skill Development	Two Day Teaching Session With Colleagues at Bajkot Chapra Prathmikh Sharha(Primary School).	19 March, 2016

10	Technical Technothon	College Level Technical Event : “Error Recovery” , to create LAN Cables and Check them through LAN Tester.	15 March, 2016
11	Technical Workshop	Ethical Hacking Workshop on Cyber Security	11 March, 2016
12	Technical Quiz	Footprint Open-X Event: Renewable Energy Quiz held at M.S. University, Baroda.	19 February, 2016
13	Technical Quiz	Our Team got 1 st Position in Technical Quiz Competition held in our CE/IT Department, Government Engineering College, Modasa.	16 September, 2015
